SUBMITTAL REQUIREMENTS LATTICE OR SOLID ROOF PATIO COVER/GAZEBO/2ND STORY DECK

INFORMATION SHEET

The following items are required and must be complete prior to project acceptance for processing:

1. One (1) copy of the Building Permit Application and Take-Off Sheet(s), if applicable.
   Use black or blue ink ONLY.

2. Two (2) sets of plans for lattice patio covers per City of Irvine Guidelines; Three (3) sets of plans for solid roof patio covers, gazebos, or 2nd story decks with structural calculations, if necessary. All sheets must be signed.

3. Two (2) copies of the site plan with dimensions of proposed structure from the property lines. Standard forms are available.

4. Details and material notes applicable to the structure shall be attached.

5. Plan check fees, paid in full upon submittal (see Fee Schedule).
