**CITY OF IRVINE
OFFICE SOUGHT: MAYOR
WARD/DISTRICT: Not Applicable**

NAME: KATHERINE DAIGLE

AGE (Optional):

OCCUPATION: Small Business Owner

As a woman, mother, business and civic leader, MBA graduate, I will bring a practical and pragmatic business perspective to the City. I've spent my life working to better our community for you to live and raise your families here, as I have.

As a civic leader for Woodbridge Village, I've worked with the Irvine Police Department to inhibit crime within our community, work with the City and IUSD to establish programs to protect the community and its wildlife, whilst preserving the integrity of the community in cooperative spirit, working with the developers on projects that impact our "quality of life."

Our existing public infrastructure simply is not adequate to support our expanding city. It contributes to overcrowded road congestion and over development with devastating consequences far beyond the obvious inconveniences. It is time to invest in new technologies, and address the absence of progress on the Great Park recreation development proposal.

I'm asking for the opportunity to help facilitate a victory, bringing public and private experience, passion for our community in addressing our shared problems. We need leadership that institutes fiscal management and holds itself accountable for getting results.

May God Bless you,
Katherine Daigle (non-establishment)
