## CHAMPIONS VOLUNTEERS DISCLAIMER, WAIVER & INDEMNIFICATION

## (To be completed by participating seniors)

Welcome to the CHAMPIONS program. CHAMPIONS is an acronym for Community Helpers Assisting Mature Persons In Our Neighborhoods. It is Irvine's friendly visitor program designed to help seniors who are home bound by having a volunteer visit them. Or depending on your situation, you may prefer a volunteer to contact you only by phone.

CHAMPIONS volunteers are available to visit you in your home, or to go out to restaurants, movies or to local attractions (depending on mutual interest). The CHAMPIONS volunteer may also assist you by grocery shopping. As a client, you are not expected to pay for the CHAMPIONS service nor are they expected to pay for your expenses.

As a client, you may be assigned one or two volunteers who will visit separately or together. It is not possible for the City to monitor all of the volunteers during their individual visits, so it is important for you to assess their skills and your comfort level with them and to communicate with the City about them. By signing below, you acknowledge that you understand the City does not assess or guarantee the volunteers' character or driving skills, and you are not relying on the City in any way to do so. If for any reason you are not comfortable with the volunteer(s) assigned to you, please let the City know and another volunteer will be assigned as soon as possible.

volunteer has been instructed to call 911,	CHAMPIONS visit that concerns the volunteer about the safety of the client, the as well as to alert the Outreach Program Care Manager. You should feel free to ations that arise from the program as well by telephoning:
