

## SCHEDULE II BUILDING SAFETY FEES

### Permit Issuance Fees

All Commercial, New Residential Construction	\$65.82
Residential (other than New Residential Construction)	\$28.72

Plan Check Submittal Quality Incentive: The purpose of this incentive is to encourage complete initial plan check submittals that comply with City codes and ordinances. This incentive applies to new building construction and new grading projects over two acres. It does not apply to tract production projects, additions, or alterations to existing buildings. If a qualifying project is approved on the first submittal, 30 percent of building plan check fees will be refunded to the applicant. Fees other than building plan check fees are not subject to this refund.
