Candidate Statement of Qualifications

**CITY OF IRVINE
OFFICE SOUGHT: MAYOR
WARD/DISTRICT: Not Applicable**

NAME: David Chey

AGE:

OCCUPATION: Self-Employed/Entrepreneur

I have earned a B.S. degree in Business Administration from the University of Southern California and am a graduate of its Entrepreneurial Program. I am a citizen of the United States from having been born in the United States and from my parents having become U.S. Citizens through naturalization. My parents emigrated to the U.S. from the Republic of Korea. My father and I operated a computer engineering research design company until he passed away in 2008.

Because of my family's experience with Communism, I have sought to understand our history, to cherish the founding principles of our Country and the Constitution of the U.S.

If elected:

I will seek to preserve undeveloped natural areas, maintenance of a healthy living environment, and slow growth.

To ensure and observe all rights protected by the U.S. Constitution.

To create a city-run bank to make loans in the community to small, local businesses that would innovate to help people and recycle a larger share of earnings back into the local economy and enrich the whole community.

To seek to reduce and or keep taxes to a minimum.

And, I would seek justice against predatory businesses by seeking to bring enforcement action by the city attorney's office.
