SUBDIVISION COMMITTEE REGULAR MEETING

October 10, 2018

9:00 AM

Conference Room L102
One Civic Center Plaza
Irvine, California

Speaker's Form/Request to Speak: If you would like to address the Committee on a scheduled agenda item, please complete the Request to Speak Form. Speaker's Forms are located on the table at the entrance to the Conference Room. Please identify on the card your name and the item on which you would like to speak and return to the Recording Secretary. The Request to Speak Form assists the Committee Chairman in ensuring that all persons wishing to address the Committee are recognized. It also ensures the accurate identification of meeting participants in the Subdivision Committee minutes. Your name will be called at the time the matter is heard by the Committee. City policy is to limit public testimony to up to three minutes per speaker depending on relevant circumstances (unless the time limit is extended by the Committee Chairman), which includes the presentation of electronic or audio visual information. Speakers may not yield their time to other persons.

Please take notice that the order of scheduled agenda items below and/or the time they are actually heard, considered and decided may be modified by the Committee Chairman during the course of the meeting, so please stay alert.

RESPONSIBILITY

The Subdivision Committee is responsible for determining whether a proposed tentative tract or parcel map complies with the requirements and intent of the Subdivision Ordinance. The Subdivision Committee has the authority to approve, approve with conditions or modifications, or deny parcel maps, all of which require a public hearing. In addition, the Subdivision Committee is a recommending body to the Planning Commission regarding tentative tract maps.

Staff reports are available in the Community Development Department for public review and copying. Please call the Subdivision Committee support staff at 949-724-6457 for assistance or any additional information.

For each hearing item on the agenda, the Chair of the Subdivision Committee will open the public hearing and receive the staff report. There is a five minute time limit to address the Subdivision Committee with your comments. Following his/her own comments, the Subdivision Committee will close the public hearing or continue the project to the next hearing if additional information is required. If the hearing is closed, the Subdivision Committee will adopt a resolution approving or denying the project. If, in the future, you wish to challenge in court any of the matters on this agenda for which a public hearing is to be conducted, you may be limited to raising only those issues which you (or someone else) raised orally at the public hearing or in written correspondence received by the City at or before the hearing.
