Re: **ERRATA ITEM 2.1 – IRVINE RECOVERY PLAN GRANTS MEETING #2 – FUNDING RECOMMENDATIONS**

Subsequent to distribution of the agenda packet, staff and consultants determined that an update is needed for the IRP Grants Review Subcommittee Meeting staff report posted September 26, 2022 due to a scoring error.

To address the situation, the following revision consists of an updated table on the staff report *Attachment 3: Irvine Recovery Plan Grant Review Subcommittee Preliminary Funding Recommendations*. The revised language below uses **bold underline** to represent additions or changes, and ~~strike-through~~ to represent deleted text.

In the Small Business Assistance Grants category, the preliminary recommended funding amount for Charitable Ventures is decreased to \$780,000. This change increases the balance of funding in the grant category. No other line items or grant award amounts are affected.

Small Business	REQUESTED FUNDING	RECOMMENDED FUNDING
1 Charitable Ventures	2,200,000	912,500 780,000
BALANCE		83,567 216,066
