

COMMUNITY MEETING HOSTED BY THE CITY OF IRVINE

Great Park Development & Framework Plan Town Hall Open to the Public

In 2022, the City of Irvine approved the Great Park Framework Plan to guide the next phase of development. The plan's initial phase brings 300 acres of exciting new park amenities, including a world-class outdoor amphitheater, new cultural attractions, and expansive space dedicated to unprogrammed passive enjoyment.

The next phase draws on extensive community input to deliver an expanding array of new opportunities to secure the park's place among the world's greatest metropolitan parks.

Join us to learn more about continued development planned for Great Park.

Monday, January 23, 7–9 p.m.

Irvine City Hall Council Chamber
1 Civic Center Plaza, Irvine
