REQUEST FOR IRVINE RECOVERY PLAN GRANTS REVIEW SUBCOMMITTEE ACTION

MEETING DATE: MAY 22, 2023

TITLE: PROGRAM UPDATE AND ROUND 2 FUNDING
RECOMMENDATIONS

Director of Community Development

RECOMMENDED ACTIONS

Consider and approve Irvine Recovery Plan Grants Program funding recommendations to the City Council.

EXECUTIVE SUMMARY

At this meeting, the Irvine Recovery Plan (IRP) Grants Review Subcommittee (Subcommittee) will finalize the IRP Grants Program funding recommendations to the City Council. The IRP Grants Program is a \$5 million City initiative offering grants to nonprofits that assist vulnerable populations, grants to nonprofits that assist small businesses, and grants to emerging nonprofits. The first round Notice of Funding Availability (NOFA) resulted in the award of 26 grants to nonprofit organizations serving Vulnerable Populations, Small Businesses, and Emerging Nonprofit Organizations. The total of these 26 grant awards was \$4,631,557, resulting in a remaining balance of \$368,443. On November 22, 2022, City Council authorized the release of a second round NOFA for the Emerging Nonprofits category.

The City issued the second round NOFA in February 2023, and received 17 eligible grant applications. At its April 12, 2023 meeting, the Subcommittee heard presentations from applicants. Subsequently, Subcommittee members scored the grant applications. This report provides the application rankings for Subcommittee consideration. The City Council will consider the Subcommittee IRP Grant Program recommendations at its June 27, 2023 meeting.

BOARD/COMMITTEE RECOMMENDATION

Not applicable.

ANALYSIS

Background

Approved by City Council in June 2022, the IRP Grants Program is a one-time \$5 million City initiative offering \$2,200,000 in grants to nonprofits that assist vulnerable populations, \$2,200,000 in grants to nonprofits that assist small businesses, and \$300,000 in grants to emerging nonprofits. The first round of the grant making process commenced in August 2022 and resulted in the award of 26 grant contracts.

The second round NOFA is only for the Emerging Nonprofits category and was released in February 2023. The funding available for the second round NOFA is \$368,443. The Subcommittee is responsible for reviewing, scoring, and ranking grant applications. The second-round applicants, cumulatively, requested approximately \$1,008,886. In April, the Subcommittee was given 19 grant applications for IRP Grants Program, heard presentations from applicants summarizing the requests, and scored the applications.

Eligibility Concerns

At its April 12, 2023 meeting, the IRP Subcommittee took action to deem two of the applications received ineligible for IRP Grants Program funding. Educate to Empower (fiscally sponsored by Charitable Ventures) and Orange County Jewish Coalition for Refugees (fiscally sponsored by OneOC) were removed from the list of eligible applicants subsequent to the April 12 Subcommittee meeting, bringing the list of eligible applicants to 17.

Upon further review, additional eligibility concerns brought the list to 14 applicants. Export Hope DBA Foster Greatness did not provide adequate documentation of its fictitious business name, or DBA. Staff did not initially feel it was appropriate to remove Foster Greatness from the review while these documents were requested and pending. As such documentation has still not been provided, the application has been deemed ineligible at this time due to missing and incomplete information. Both Helping Hands Worldwide and Budo Accelerator provided conflicting financial statements, and further review has led to the removal of their applications as well.

Grants Funding Recommendations

Staff requests that the Subcommittee consider and approve recommendations to City Council for funding second round IRP Grants Program applications. The Subcommittee scoring process involved each Subcommittee member reviewing the grant applications and completing the scoring worksheet (IRP Attachment 2). Each Subcommittee member scored the grant applications, indicating “fund” or “do not fund”, and recommended funding levels. Staff and the program consultant averaged the funding recommendations for each application rated as “fund” by at least three Subcommittee members. Three

Subcommittee members out of five total Subcommittee members equals a majority of members. This methodology is the same as the one employed by the Community Services Commission for its annual HUD Programs allocations. IRP Attachment 3 lists the applications that the Subcommittee recommends and the suggested funding levels.

In sum, the Subcommittee recommends eight out of 14 grant applications for funding. The total grant amount associated with the eight recommended applications totals \$377,304. This amount exceeds the available funds by \$8,861.

Selection Process

To address the recommended funding amounts exceeding the available funding in all categories, the Subcommittee will want to determine how to allocate the limited funding.

Options are as follows:

1. Adjust recommended grant award amounts up or down, either equally or proportionally. Each recommended grant amount must stay within the allowable minimum and maximum.
2. Adjust recommended grant award amounts up or down, discussing grant application merits on a case-by-case basis. Each grant amount must stay within the allowable minimum and maximum.

ALTERNATIVES

The Subcommittee has discretion to modify any or all of the funding recommendations outlined in this report.

FINANCIAL IMPACT

None.

This Notice of Funding Availability (NOFA) covers a two-year period for IRP Grants Program activities that will begin as soon as July 1, 2023, and will run through June 30, 2025. IRP funds are available as follows:

Only nonprofit organizations who are organized under section 501(c)(3) or 501(c)(6) of the IRS Code, will be eligible to apply for the IRP Grants Program. The recipients of the grant funds will be required to provide services and/or direct financial aid to Irvine residents and businesses. The City will prioritize COVID-19 related grant applications and applications for programs that serve populations and businesses that have not previously accessed COVID-19 funds. Programs that address other unmet Irvine community needs are eligible, however, they will not be prioritized for funding.

Submission Guidelines

For funding consideration, all proposed programs and/or projects must meet the IRP Grants Program eligibility requirements identified in this NOFA. Respondents to this NOFA must complete the appropriate application for the requested funding category. There are two separate applications for funding, one for each grant category as follows:

1. Emerging Nonprofit Organizations Serving Vulnerable Populations
2. Emerging Nonprofit Organizations Serving Small Businesses

The application technical workshop will be held on February 16, 2023, at 2:00 p.m. via teleconference. Attendance at the workshop is not mandatory to submit an application but applicants must certify on section 2 of the application form that they attended the workshop or have watched the workshop presentation video (which will be posted online). Potential applicants can register for this event at www.cityofirvine.org/IRP. All applications for eligible activities submitted by eligible applicants are welcome.

Submission Deadline

This requirement is firm as to date and time. No faxed or hardcopy applications will be accepted. Include a cover letter, the signed application form, and the required supporting documentation only within the PDF file(s) sent via email. Be cognizant of file size limitations and keep files less than 5MB whenever possible or break attachments into more than one file if necessary. Applications that are incomplete, exceed the prescribed response limits, have content errors or deficiencies, or that are submitted after the deadline may be rejected. Once submitted, proposals may not be amended, unless the amendment has been requested by the City. The City reserves the right to contact an applicant if additional information is required. The City, at its sole and absolute discretion, with or without cause, and without liability to any applicant, reserves the right to accept or reject any and/or all proposals either in whole or in part, waive any informalities or irregularities of any proposals, cancel this NOFA at any time, and/or take any action in the best interest of the City.

Right to Waive Irregularities

The City of Irvine reserves the right to:

1. Withdraw this solicitation at any time without prior notice and, furthermore, make no representation that any contract occurs and that funds will be awarded to any respondent to this solicitation.
2. Waive any irregularities in the NOFA process and to reject any and all submissions not in the best interest of the City.
3. To request additional information and materials from applicants.
4. Retain all submitted applications. Selection or rejection of an application does not affect these rights.

Application Review and Decision Process

The application review process includes three phases.

Phase 1: Application Review

In the first phase, all applications are reviewed by Housing Division staff and program consultant for completeness and eligibility. Ineligible applications will not be submitted for consideration by the Grant Review Subcommittee. Organization capacity, experience and past performance are also noted. Based on this review, Housing Division staff and program consultant prepare general funding recommendations to the Grant Review Subcommittee.

Phase 2: Grant Review Subcommittee Meetings

The second phase of the application review process is comprised of two Grant Review Subcommittee meetings. The Grant Review Subcommittee is composed of two representatives each from the Community Services Commission (CS) and the Diversity, Equity, and Inclusion (DEI) Committee and one City staff member. The first meeting, conducted in mid-March, will include up to three-minute presentations from each applicant organization. At the second meeting, in April, the Grant Review Subcommittee will

consider all eligible applications and prepare its final funding recommendation to the City Council.

Phase 3: City Council Consideration of Recommendations

The third phase of the application review process is where the Grant Review Subcommittee grant award recommendations are placed on the City Council Meeting Agenda for consideration. The action of the City Council takes is to adopt the IRP Grants Program Allocations. The decision of the City Council with respect to IRP Grants Program funding allocations shall be final.

Applications considered at the Grant Review Subcommittee and City Council meetings are limited to those submitted according to the guidelines and timetables outlined in this NOFA. Applicants are encouraged to attend and participate.

If you have questions or require additional information, please contact the Housing Division by email at IRP@cityofirvine.org

Appeals

Staff determination of application ineligibility prior to or during the Grant Review Subcommittee review process may be appealed in writing to KBullock@cityofirvine.org within five (5) calendar days of notification that an application is not eligible. The decision of the Housing Manager of the Community Development Department shall be final.

Written Agreements

If selected and awarded funding, your organization will be required to execute a written agreement with the City of Irvine. The agreement must be executed and returned to the City within 30 days of the City's transmittal to your organization. Failure to execute and return the agreement timely may result in termination of the award and loss of funding. The agreement outlines terms and conditions of funding for your organization and the City. The agreement is a legally binding contract and failure to adhere to its terms and conditions may result in the termination and required repayment of the funding award. Each agreement will contain, at a minimum, the following information derived from your organization's IRP Grants Program application:

Description of Program Services: This section provides an overview of the program services or project as described in the application, goals and objectives, and specific services (e.g., working hours, location of services, number of clients to be served) achievable based on the funding level approved by the City Council. The description of program services also details how the grant funds will be used to support the program or

project. Applicants should describe how the funds will be used to build the organizational capacity that will help strengthen and develop skill sets to further build the nonprofit organization.

Project Budget: The budget lists the specific uses of funds approved by the City (e.g., personnel, consultants, utilities, supplies, rental assistance payments).

Program Performance Measurement Plan / Schedule of Performance: This schedule outlines the major activities and expected outcomes for each quarter of the year based on City performance indicators and goals specified in your organization's application. Applicants should outline the organization's expected capacity building outcomes.

General Requirements

Leverage/Match Funds: While not required, application budgets may show how funds will be leveraged or matched with resources from state, local, private, or other non-federal sources. Match or leverage may be cash or grant but should be reasonably expected to be available for the term of the proposed program.

Readiness: Programs and projects must display evidence of readiness to proceed. Applicants must demonstrate that IRP Grant Program funds will be fully spent within the two-year grant period.

IRP Grants Program Conditions to Disbursement: The written agreement will specify that the disbursement of IRP Grants Program funds to your organization is subject to the following conditions at the time each disbursement is to be made:

- Your organization shall have submitted to City a quarterly report of progress toward achieving the Program Performance Measurement Plan; and
- If payment is for the professional services of a consultant, your organization will be required to provide the City with a copy of the executed contract between your organization and the consultant.

Indemnification: Nonprofit organizations approved for funding must agree to defend, indemnify, and hold harmless the City, its officers, agents and employees from and against all liability, claims, demand, losses, and expenses, including attorney's fees, original and on appeal, arising out of or related in any way to the performance of the agreement.

Insurance: Nonprofit organizations approved for funding will be required to maintain the insurance coverages described below, each of which shall contain a provision that forbids any cancellation, changes or material alterations without prior notice to the City at least 30 days in advance. The insurance coverage shall be evidenced by an original certificate of insurance provided through the City's third-party risk management firm prior to the execution of the written agreement. The required insurance (as of January 2023, subject to change in the written agreement) is as follows:

- a. Commercial General Liability Insurance – shall be written to cover liability arising from premises and operations, independent contractors, products and completed operations, personal and advertising injury, and contractual liability. Private businesses supported with small business grants through the proposed programs must also obtain a City of Irvine business license before funds can be disbursed.

Program Monitoring: Nonprofit organizations approved for IRP Grants Program funding will be required to maintain and submit adequate information necessary to monitor program accountability and progress in accordance with the terms and conditions of the written agreement.

Fair Housing, Nondiscrimination and Equal Opportunity: The City of Irvine, in accordance with federal and state law and City policy, prohibits discrimination on the basis of race, color, national origin, religion, sex, gender identity, pregnancy, physical or mental disability, medical condition, ancestry, marital status, age, sexual orientation, citizenship or service in the uniformed services. Yes. All will be part of your agreement with the City.

2. *What if something happens and we need to change our budget, timeline, or goals?*

An amendment to the agreement can be executed if there are legitimate reasons for doing so. However, you should not count on this, particularly if your organization wants an amendment because it did not begin the project on time or has changed its mind about the project scope or budget.

3. *Will we get the full amount of funding requested?*

Projects may receive full or partial funding depending on the nature of the project, amount requested, funds available and NOFA evaluation criteria results. If your project is not viable without full funding, make sure to indicate this fact on your application.

4. *Are leveraged/matching funds required?*

Leveraged funds from other federal, state, local, or private sources are not required but strongly encouraged.

Agencies must complete the contracting process, execute an agreement, submit valid insurance, submit a copy of their business license, submit a W-9, and receive a written Notice to Proceed before funds will be disbursed.

6. *Can we spend our money now and be reimbursed by IRP Grants Program funds later?*

No. If you commit or expend funds before receiving Notice to Proceed, you will not be eligible for reimbursement at any time.
