MEMORANDUM OF UNDERSTANDING

BETWEEN

IRVINE POLICE ASSOCIATION

AND

CITY OF IRVINE

NOVEMBER 12, 2022 TO JUNE 30, 2029

PREAMBLE

This Memorandum of Understanding, hereinafter referred to as the "Agreement" or "MOU," entered into by the CITY OF IRVINE, herein referred to as "City," and the IRVINE POLICE ASSOCIATION, hereinafter referred to as "Association," has as its purpose the promotion of harmonious labor relations between the City and the Association, establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of rates of pay, hours of work, and other conditions of employment.

Article 1 – Recognition

The Association is the exclusive representative of the classifications of Police Officer and Police Sergeant.

Article 2 – City Rights

Except as expressly limited by this MOU or other applicable laws, the City retains the exclusive right (a) to direct employees of the Police Department; (b) to hire, promote, transfer, and assign employees to positions within the Department consistent with applicable classifications; (c) to dismiss employees because of lack of work; (d) to reprimand, demote, suspend or discharge employees; (e) to determine the mission of the Department, its budget, its organization, the number of employees and the methods and technology of performing its work; (f) to take whatever action may be appropriate to carry out its mission in situations of emergency. The parties further understand that all rights not clearly and expressly limited by this MOU are expressly reserved to the City, even though not enumerated.

Article 3 – Employee Rights

Employees covered under this Agreement shall be entitled to all rights specified under Government Code section 3300 et seq., and Irvine Police Department Policy relating to "Public Safety Officers Procedural Bill of Rights." Employees shall have the right to have documented disciplinary actions or other adverse documented incidents removed from their Department personnel files pursuant to Police Department Policy 1001. No employee shall be interfered with, intimidated, restrained, coerced, or discriminated by the City because of his exercise of these rights.

Article 4 – Association Rights

A. Payroll Deductions

The City agrees to continue payroll deductions to Association on behalf of its members for dues, and/or any insurance plan sponsored by the Association, unless authorization to make such deductions is canceled in writing by the individual employees.

B. Release Time for Association Business

In order to allow the Association an opportunity to handle the business affairs of its members including handling of grievances, the City shall, at the beginning of each calendar year, establish the annual time banks specified below for Association use, to be used as authorized by the Association President, as the chief executive officer of the Association, and, in his/her absence, the Vice President. The Association agrees, however, that the effective operations of the Police Department are not to be adversely affected by the use of the time bank by the Association members. If the Association members' absence does not impact minimum staffing levels, or other vital departmental operations as determined by the Division Commander or the Lieutenant in charge, the employee shall be released without restrictions. It is also understood that time for the annual meet and confer preparation and meetings and/or any special meetings called by the City shall not be charged against the time bank. It is also understood that hours from the time bank will not be carried over from year to year. The time bank will be a maximum of 420 hours per year for all Association business related to this unit of representation as described in Article 1.

Article 5 – Grievance Procedure

A. Matters Subject to the Grievance Procedure

A grievance may be filed for any alleged violation of any Personnel Rule and Regulation dealing with required subjects of bargaining that are not specifically reserved to the City in the City Rights clause, Article 2; for an alleged violation of an express provision the Memorandum of Understanding (MOU); or alleged violation of established and commonly accepted safety practices or procedures. The grievance procedure shall not be used to establish new policies or change any existing rules and regulations. It shall not be used in connection with disciplinary actions or other matters for which appeals procedures exist under the Personnel Ordinance, Personnel Rules and Procedures or pursuant to statute.

B. Informal Grievance Adjustment

Whenever possible, an employee who has a complaint should try to solve the problem through informal discussion with his/her immediate supervisor without delay, and in no event later than fourteen (14) calendar days after the event giving rise to the complaint. The immediate supervisor shall make whatever investigation he/she deems necessary and reply within fourteen (14) calendar days.

If the employee is not satisfied with the decision reached through the informal discussion, and/or some other extenuating circumstances exist, he/she may bring the matter to the attention of the next level of authority within fourteen (14) calendar days of such decision. If the employee is still not satisfied with the decision, he/she may file a formal grievance within fourteen (14) calendar days after having received the reply.

In incidents involving an employee group, a representative of the involved group may meet with a designated representative of the City in an informal attempt to resolve the matter. Employees have the right to authorize the Association to represent them in any grievance under this provision, informal or formal.

C. Formal Grievance Procedure

1. First Level

The formal grievance procedure may be followed on matters subject to this procedure only after failure to resolve a problem through informal grievance

adjustment. If, after this discussion, the employee is not in agreement with the decision reached, he/she may, within thirty (30) calendar days, file a formal grievance in writing to the Police Chief with a copy to the Director of Human Resources setting forth the section(s) of the MOU or Personnel Rules and Regulations allegedly violated and reciting all the facts and circumstances constituting the claimed violation. The Police Chief shall make whatever investigation he/she deems necessary to allow fair consideration of the situation and shall present a written reply to the employee within thirty (30) calendar days after receipt of the grievance. A copy of the reply shall be forwarded to the Personnel Officer.

2. Second Level

In the event the grievant is not satisfied with the decision at the department director level, the grievant may appeal the decision to the Personnel Officer or his/her designee, within fourteen (14) calendar days of receipt of the decision. This written appeal statement should include a copy of the original grievance, the decision rendered at the previous level, and a clear, concise statement of the reasons for the appeal. The written appeal described herein shall not expand the scope of the formal grievance submitted to the department director. The Personnel Officer or his/her designee shall communicate a decision within fourteen (14) calendar days after receiving the appeal. Either the grievant or the Personnel Officer may request a personal conference within the foregoing limits to discuss the grievance. Either party may have a representative present at such a conference.

3. Third Level

If the grievant is not satisfied with the decision by the Personnel Officer and the grievance alleges violation of the MOU, he/she may request the Association to submit the grievance to advisory arbitration, or appeal directly to the City Manager.

a. Advisory Arbitration

If the Association concurs with the employee request for advisory arbitration, the Association shall, within twenty-eight (28) calendar days of the Personnel Officer's decision, submit a request in writing to the Personnel Officer for advisory arbitration of the dispute and the City

shall comply with the request, except in cases of disputed arbitrability. The Association and the City shall attempt to agree upon an arbitrator and if no agreement can be reached, the parties shall request the State Mediation and Conciliation Service to supply a panel of seven (7) names of persons experienced in hearing grievances for cities. Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the Advisory Arbitrator. The party who strikes first shall be determined by mutual agreement or by flipping a coin.

The fees and expenses of the arbitrator and the hearing shall be borne equally by the City and the Association. All other expenses, including fees and costs for witnesses and representatives, shall be borne by the party incurring them.

The Advisory Arbitrator shall, as soon as possible, hear evidence and render a decision on the issue or issues alleged in the grievance that were submitted to advisory arbitration. If the parties cannot agree upon the issues for the arbitrator to decide, the arbitrator shall determine the issue(s) to be decided. In cases where the City contends that the grievance submitted is not arbitrable, the Advisory Arbitrator shall rule on the arbitrability of the issues.

The arbitrator shall have no power to add to, subtract from, or modify the terms of this Agreement or City policy.

After a hearing and after both parties have had an opportunity to make written arguments, the Advisory Arbitrator shall submit, within thirty (30) calendar days, to all parties, the written findings and advisory recommendations that he/she has prepared.

The City Manager has the power to render a final decision of a grievance which shall be binding on all parties. If, upon review, the City Manager determines that he/she is unable to render a final determination on the record, he/she may reopen the record for the taking of additional evidence prior to rendering the binding decision. Said decision of the City Manager shall be provided to all parties within

thirty (30) calendar days of his/her receipt of the Advisory Arbitrator's findings and recommendations.

b. City Manager Review

If the Association does not concur with the employee request for advisory arbitration, the employee, within thirty-five (35) calendar days of the Personnel Officer's decision, may request and shall be granted a hearing by the City Manager which will be closed to the public but open to all parties at interest for final resolution of the grievance.

In instances where the City Manager hears a grievance, he/she shall conduct such hearings, which will be closed to the public but open to all parties in interest as he/she may deem necessary, and shall render a final and binding decision within thirty (30) calendar days following the conclusion of the hearing.

D. General Conditions

1. The Personnel Officer shall receive and retain copies of all written materials pertaining to the grievance.
2. At any step of the informal grievance adjustment or formal grievance procedure, a department director, supervisor, or employee may request a representative of Human Resources to participate in any discussions which may take place. Grievances may be initiated by the concerned employee or the Association.
3. A formal grievance, not involving a specific supervisor or department director, may be submitted directly to the Personnel Officer.
4. An employee may represent himself/herself or select whomever he/she desires to represent him/her in the grievance procedure.
5. If an employee fails to proceed with a grievance within any of the time limits specified in this policy, the grievance shall be deemed settled on the basis of the last decision reached.

6. If management fails to respond within any of the time limits specified in this policy, the employee may proceed to the next level as if management responded on the last day possible.
7. An extension of the time limits specified in this process may be provided when mutually agreed upon by all parties concerned.

Article 6 – Disciplinary Action

A. Disciplinary Authority

The department director shall have the right, for reasonable cause, to demote, dismiss, reduce in pay or suspend without pay for up to thirty (30) calendar days any regular member of unit. In addition, certain discipline is subject to the process provided for in Attachment VII to this MOU in accordance with Government Code Section 3304.5.

B. Discipline Procedure

An authorized departmental manager or supervisor proposing that action be taken shall provide the employee with written notice of the proposed action. The written notice shall contain the date it is intended to be effective, the charge(s) and facts on which the proposed action is based, and notification that the employee is entitled to respond to the charges orally or in writing to the department director or designee within seven (7) calendar days of receipt of notification. Failure of the employee to make a written or oral response or request will constitute waiver of the right to respond. Further, the employee shall be provided with the relevant written materials, written reports and documents considered by the departmental manager or supervisor in reaching his/her decision to propose the action.

The director will hear employee responses on all contemplated disciplinary actions which propose a penalty equal to or more severe than a forty-hour suspension without pay, while his/her designee may hear those responses where less severe discipline is proposed.

If the employee elects to respond in person, a meeting shall be scheduled with the department director or his/her designee, whichever is applicable, at which time the employee shall be given the opportunity to respond to the proposed action. The

employee shall be entitled to be represented by counsel or other person of his/her choosing at the meeting.

If after following the above procedure discipline is implemented, a written notice of discipline shall be served upon the employee. Said notice shall inform the employee of his/her appeal rights, if any.

The City shall have the right to put any employee on immediate paid administrative leave pending investigation and processing of any potential disciplinary action. The provisions of this Article shall not apply to reductions in pay which are part of a general plan to reduce salaries and wages or to eliminate positions.

C. Appeal

1. Right of Appeal

When formal disciplinary action has been taken by the department director or designee and the employee has received written notification of the action, the employee shall have the right to appeal as provided below. Failure to appeal by the employee or his/her representative will make the disciplinary action final and conclusive.

2. Appeal Procedure

An employee who has passed initial probation who has been demoted, dismissed, reduced in pay or significantly suspended without pay, may appeal to the City Manager within fourteen (14) calendar days after having been furnished with a copy of the notice of discipline by filing a written answer to such charges and requesting a hearing thereon.

3. Hearing Procedure

a. The City Manager shall appoint a Hearing Officer to conduct hearings on appealable disciplinary actions imposed pursuant to this Article. The hearing shall commence within ninety (90) days from the receipt of the appeal unless otherwise agreed to by the department director and the employee or their respective designees.

- b. Hearings shall be conducted in the manner most conducive to determination of the truth, and the Hearing Officer shall not be bound by technical rules of evidence.
- c. The Hearing Officer shall determine the relevancy, weight and credibility of testimony and evidence. The Hearing Officer shall base his/her findings on the preponderance of evidence.
- d. Each side will be permitted an opening statement and closing argument. The department director shall first present his/her witnesses and evidence to sustain the charges and the employee will then present his/her witnesses and evidence in defense.
- e. Each side will be allowed to examine and cross-examine witnesses.
- f. Both the department director and the employee or their respective designees may be represented by legal counsel.
- g. The Hearing Officer shall, if requested by either party, subpoena witnesses and/or require production of other relevant records or material evidence.
- h. The Hearing Officer may, prior to or during a hearing, grant a continuance for any reason he/she believes to be important to his/her reaching a fair and proper decision.
- i. The Hearing Officer shall prepare a recommended decision and forward it to the City Manager after the matter of appeal was taken under submission by the Hearing Officer. The recommended decision shall set forth which charges the Hearing Officer sustains or does not sustain and the reasons therefore.
- j. After receiving the recommendation of the Hearing Officer, the City Manager may sustain or reject any or all of the charges filed against the employee. He/she may sustain, reject or modify the disciplinary action invoked against the employee.

- k. The employee or his/her representative may obtain a copy of the transcript of the hearing upon request and agreement to pay for necessary costs.

D. Dismissal

Dismissal of any employee from the competitive service shall, unless otherwise ordered:

1. Constitute a dismissal as of the same date from all positions which the employee may hold in the competitive service.
2. Result in an automatic removal of the employee's name from all employment lists on which it may appear.
3. Terminate the salary of the employee as of the effective date of his/her dismissal, as indicated in the notice of discipline except that he/she shall be compensated for any unpaid salary, unused vacation and unused compensatory time off to his/her credit as of the date of dismissal.

Article 7 – Existing Conditions of Employment

It is the understanding of the parties that the wages, hours and other terms and conditions of employment within the lawful scope of representation of the Association currently enjoyed by Police Officers and Sergeants will not be reduced and shall remain in full force and effect during the entire time of this Understanding, except as expressly provided herein or except by mutual agreement.

The criteria for advancement within salary ranges which appear in the City’s Personnel Rules and Regulations are set forth in Attachment II. The salary ranges of classifications covered by this Agreement shall be as set forth in the Schematic Arrangement of Class Titles and salary ranges as shown on Attachment III.

Effective the pay period that includes July 1, 2024, the base salary of the employees in this bargaining unit shall be increased by three and one-half percent (3.5%).

Effective the pay period that includes July 1, 2025, all employees covered by this Agreement shall be provided with an additional one and one-half percent (1.5%) base salary increase. This will be in addition to the previously approved and currently planned base salary increase of three and one-half percent (3.5%) that has already been scheduled to take effect for the pay period including July 1, 2025, for a total of five percent (5%) base salary increase. The bottom of the range will move up five percent (5%) commensurate with this change.

Article 9 – Overtime

A. General Overtime

Payment of overtime will not be cumulative based on these two criteria. Thus, for example, if an employee works 11 hours while on an assigned 10-hour work shift in a day which results in the employee working 81 hours in a two-week pay period, the employee would only be entitled to receive one hour of overtime. The parties understand that the City's adoption of the 28-day, 171-hour work period pursuant to Section 7(k) of the Fair Labor Standards Act remains in full force and effect. However, overtime entitlements will be based on the two criteria set forth above: a) ten or twelve and one-half hours per day, depending on assigned work shift; or b) 80 hours per two-week pay period.

Unit members shall be paid for all hours worked. Unit members record hours worked in fifteen-minute increments of time. When an employee works less than eight minutes into the next pay increment, the time should round down to zero. When an employee works eight minutes or more into the next payroll increment, the time rounds up to fifteen minutes.

In calculating an employee's regular rate of pay for overtime purposes, in addition to an employee's base rate of pay, the following incentive pays shall be included to the extent that an employee qualifies for the particular incentive pay:

- a) Standby pay (dollars, not hours)
- b) Court standby pay (dollars, not hours)
- c) Firearms qualification compensation
- d) Intermediate P.O.S.T Certificate
- e) Advanced P.O.S.T Certificate

To assure fairness in availability of special events overtime, the Coordinator shall use a system for alternating routine sign-up lists to a supervisor in charge of individual patrol shifts or specialty areas. In all cases, the list may be rotated among on duty personnel within that section receiving first priority, but must be placed in the special events schedule book by the end of the first day after the list is furnished. During this period, the shift or specialty supervisor or his/her designee may make an attempt to contact both on and off duty personnel assigned to that shift/area to determine their desire to work the assignment. The shift or specialty supervisor or designee may sign the name of the person contacted on the sign-up list, and initial same;
- c. At the top of each overtime roster, a "posting date" and an "open date" will be listed;

- e. Commencing on the fourth (4th) calendar day, (open day), there will be no limit on the number of times an individual may sign up;
- f. Last minute events (within five (5) calendar days of the event) will be posted on a separate list and placed directly in the Special Events Schedule Book by the Coordinator for immediate filling;
- g. Violations of any provision of this process may result in restriction of working Special Events as follows: 1st violation - 30 calendar days; 2nd violation - 60 calendar days; 3rd violation - remainder of the calendar year;
- h. Each time an individual signs a slot on the special event overtime roster he/she will place the date adjacent to his/her name;
- i. Individuals may sign up for themselves only and shall not remove their name from an overtime roster without approval of a supervisor who must initial the change;
- j. Special events overtime roster sign-ups will be limited to full-time sworn personnel with the following exceptions:

(1) Three (3) calendar days prior to a scheduled event, the Special Events Coordinator may fill vacant positions on a previously posted roster.

(2) Any school sponsored event where associated student body funds are utilized for payment, i.e., basketball games and dances, may be filled with a combination of full-time sworn and reserve personnel.

(3) Individuals signing up for a special event shall be subject to the direction of the Special Events Coordinator under normal

circumstances; however, in the event of an emergency or unusual occurrence, the ranking officer present will assume command control of the situation.

(4) Minimum staffing levels established for an event do not preclude the Coordinator from adding personnel when the need dictates. In such cases, additional positions would be added as a supplement to the original roster and placed directly in the Special Events Book by the Coordinator.

When such court appearance requires the employee to be in attendance before and

after the court lunch recess, such lunchtime will be included in determining the employee's court overtime pay.

An employee who is on call for a morning session and is called in to appear for that same morning session shall be paid for the time of the actual appearance at his/her overtime rate with a minimum of three (3) hours. If an employee is on-call for a morning session and is subsequently called in to appear that afternoon, that employee shall be paid standby pay for the morning (two (2) hours at his/her regular hourly rate of pay) and court appearance pay for the afternoon (time for the actual call with a minimum of three (3) hours).

E. Canine

1. FLSA Standard

Employees who are assigned to the canine officer and support dog detail are entitled to compensation for the off-duty hours spent caring, grooming, feeding and training their canine and maintaining their canine vehicle/unit. The parties acknowledge that the Fair Labor Standards Act, which governs the entitlement to compensation for off-duty canine duties, entitles the parties to agree to a reasonable number of hours per month for the performance of such duties. The Fair Labor Standards Act also allows the parties to agree on appropriate compensation for the performance of such off-duty canine duties. It is the intent of the parties through the provisions of this Article to fully comply with the requirements of the Fair Labor Standards Act. In addition, both parties believe that the following agreement does comply with the requirements of the Fair Labor Standards Act. Compensation for off-duty canine duties shall not be considered or reported as compensation earnable for Canine Pay.

In negotiating this MOU, the City requested that the Association conduct an actual inquiry of the hours which employees assigned to Canine duties perform each month to ensure compliance with the FLSA and in particular the case of *Leever v. City of Carson City* (9th Cir. 2004). The Association advised the City that the inquiry revealed that the hours to which the parties have agreed – (ten hours per month) accurately describes the time such employees are performing such duties each month.

For this off-duty time, these employees will be paid \$15.00 per hour for ten hours per month - \$150.00 per month. The parties acknowledge that since employees in this unit are subject to the 28-day FLSA work period and these ten hours do not cause the employee to have regularly scheduled overtime per that work period (which as an overtime threshold of 171 hours), these hours

can be paid at base rate. This pay for off-duty time is not reportable to CalPERS.

Employees assigned to the canine officer and Support dog detail who are required to perform extraordinary off-duty canine care, such as a veterinary emergency or other rare occurrence, which causes a substantial increase in the normal off-duty hours worked for that month, shall submit a written request to the Police of Chief or the Chief's assigned designee for additional compensation for the hours spent performing such work.

2. Pay for Canine Officers

Canine officers will receive compensation of 7.2% of their salary as outlined in Article 15, Section A per month for being assigned as a Canine Officer.

The parties agree that to the extent permitted by CalPERS or law the City will report this pay to CalPERS as Canine Officer/Animal Premium in accordance with Title 2 CCR Section 571(a)(4) and Section 571.1(b)(3).

3. Pay for Support Dog Handlers

Support Dog Handlers will receive compensation of 1.5% of their salary as outlined in Article 15, Section A per month for being assigned as a Support Dog Handler.

The parties agree that to the extent permitted by CalPERS or law the City will report this pay to CalPERS as Canine Officer/Animal Premium in accordance with Title 2 CCR Section 571(a)(4) and Section 571.1(b)(3).

F. SWAT/CNT

Employees assigned to SWAT/CNT shall receive pay over and above base salary during the period of such assignment. It is understood that such individuals will from

time-to-time be on an on-call status and will not be entitled to any additional compensation for such on-call status. The monthly Special Compensation pay for SWAT/CNT shall be one and one-half percent (1.5%) of the employee's rate of pay as outlined in Article 15, Section A.

The parties agree that to the extent permitted by CalPERS or law the City will report this pay to CalPERS as Hazard Premium in accordance with Title 2 CCR Section 571(a)(4) and Section 571.1(b).

The SWAT Lieutenant will review each SWAT assignment once a year. At that time, the SWAT Lieutenant will review the performance and contributions of each officer, and, with the approval of the Operations Division Commander, either retain the officer or remove him/her from the program. An officer removed from the assignment may appeal the reassignment to the Police Chief.

Each SWAT member will be expected to maintain a minimum of an overall meets standards rating on his/her performance appraisal. Each SWAT member can be removed from the program, at any time, for a major disciplinary violation, which in the opinion of the Operation Division Commander may affect the individual's effectiveness as an SWAT member.

The duties and responsibilities for SWAT members will be as determined appropriate by the Operations Division Commander.

Specific criteria and/or testing and selection methods will be established by the SWAT Lieutenant and approved by the Operations Division Commander.

Nothing in this Agreement shall be construed as denying any employee his or her rights under the Public Safety Officers' Procedural Bill of Rights' Act, California Government Code Section 3300 et seq.

G. Mounted Unit

Employees who are assigned to the Mounted Unit are entitled to compensation for the off-duty hours spent caring, grooming, feeding, and training their horses and maintaining their horse trailer. The parties acknowledge that the Fair Labor Standards Act, which governs the entitlement to compensation for off-duty mounted duties, entitles the parties to agree to a reasonable number of hours per month for the performance of such duties. The Fair Labor Standards Act also allows the parties to agree on appropriate compensation for the performance of such off-duty mounted duties. It is the intent of the parties through the provisions of this Article to fully comply with the requirements of the Fair Labor Standards Act. In addition, both parties believe that the following agreement does comply with the requirements of the Fair Labor Standards Act. Compensation for off-duty mounted duties shall not be considered or reported as compensation earnable for mounted pay. For this off-duty time, employees will be paid \$150.00 per month, paid biweekly. This pay for off-duty time is not reportable to CalPERS. Employees assigned to the mounted unit who are required to perform extraordinary off-duty care, such as a veterinary emergency or other rare occurrence, which causes a substantial increase in the normal off-duty hours worked for that month, shall submit a written request to the Police of Chief or the Chief's assigned designee for additional compensation for the hours spent performing such work.

Employees assigned to the Mounted Unit shall receive special compensation of one and one-half percent (1.5%) of the employee's rate of pay as outlined in Article 15, Section A.

Article 16 – Plain Clothes Assignments

Employees working in plain clothes special assignments may receive (with the provision of receipts) up to \$600 per calendar year in reimbursement for clothing costs and work related equipment.

Article 17 - City Vehicle Usage

Certain special assignments (such as investigations, special investigations, traffic detectives, etc.) have historically taken a city owned vehicle (vehicles that are assigned for investigations

usage) home during off duty hours, only while in an on-call capacity. On-call employees assigned a City vehicle carry with them special equipment to specifically deal with afterhours emergencies. By having the equipment with them in their vehicle, the employee can respond directly to an after-hours emergency rather than drive to the Department, pick up a vehicle and necessary equipment, and then respond. The ability for an immediate response meets the public's expectations of ensuring their safety and reducing any further risk to the community or significant investigations, by a delayed response. Additionally, employees who use a City vehicle and who are subject to call often leave their personal vehicle at work limiting the ability to use their personal vehicles for conducting personal business.

Government codes and existing City policy allow the incidental and minimal personal use of City vehicles. While in an on-call capacity, reasonable transport of a family member(s), or other person(s) who is not an employee of the City, that is minimal in nature and consistent with legal restrictions, is authorized, allowing on-call employees to immediately respond to afterhours emergencies ensuring the safety of, and reducing any further risk to, the community.

No member of the department shall operate a city owned vehicle, when he/she has consumed an amount of alcoholic beverage or taken any medications that would adversely affect the member's ability to operate a motor vehicle safely within accordance of the law.

The parties agree that use of City vehicles for personal use remains within the discretion of the Chief of Police and can be modified or eliminated by giving ten (10) days' notice.

Article 18 – Compensatory Time Off

A. Accrual of Compensatory Time Off (CTO)

Employees may accumulate a maximum of two hundred forty (240) hours of compensatory time off in lieu of premium overtime compensation. The rate of accrual shall be one and one-half (1 1/2) hours of compensatory time for each hour of overtime worked. Since employees will be accruing one and one half (1 1/2) hours of compensatory time for each hour of overtime worked, employees will reach their maximum CTO accruals once they have worked 160 hours of overtime.

On or before the pay period which includes December 15 of each calendar year, an employee may make an irrevocable election to cash out up to eighty (80) hours (in ten (10) hour increments) of accrued compensatory time off which will be earned in the following calendar year. By Thanksgiving in the following year, the employee will receive cash for the amount of compensatory time off the employee irrevocably elected to cash out in the prior year. However, if the employee's compensatory time off leave balance is less than the amount the employee elected to cash out (in the prior calendar year) the employee will receive cash for the amount of leave the employee has accrued at the time of the cash out.

The employee may either accumulate CTO time at one and one-half for each hour worked; or elect to receive the overtime rate at one and one-half times the employee's regular rate of pay only for the following:

1. Holidays pursuant to Article 13.
2. Supervisor approved report writing and/or investigative follow-up at the end of the shift.
3. Draft fills (unplanned shift vacancies that necessitate a non-voluntary fill to meet minimum staffing requirements).
4. Required attendance at meetings and court appearance time.
5. Shift fills which are requested within 24 hour notice.
6. When an employee is held over while at work.
7. Any Department Director approved assignment facilitating the safety of the public or needs of the department.

With respect to all other overtime earned, the employee will receive compensation at the overtime rate of one and one-half times the employee's regular rate of pay.

B. Utilization of Compensatory Time Off (CTO)

1. Employee requests to use accrued CTO shall be granted provided employee submits the request to the affected shift supervisor at least seven (7) calendar days in advance and has arranged for a fill, unless the employee's absence impacts vital departmental operations as determined by the Division Commander or the Lieutenant in charge.

2. Employees shall not be required to disclose the reason or purpose for taking CTO, except in emergencies and/or requests for less than one (1) hour.

Article 19 – Hours of Work

The 4-10 work schedule shall be ten (10) consecutive hours of work per day including briefing and lunch, for four (4) consecutive days during a one-week period. The 3-12.5 work schedule shall be twelve and one-half (12-1/2) consecutive hours of work per day including briefing and lunch, for three (3) consecutive days during each one-week period, with an additional ten (10) consecutive hour workday in each twenty-eight (28) day work period. Management will determine shift starting times and shift configuration.

Minimum Deployment Policy will be maintained at a level that considers the safety of the members of this unit. The shift rotation schedule guidelines, as well as an established minimum of officers will be set forth in the Departmental Standard Operation Procedure (DSOP).

Article 20 - Health and Wellness Benefit

Employees covered by this agreement shall receive \$1000 per year as a health and wellness benefit. While the use of these funds are at the employee's sole discretion, they may be used to offset work related expenses, training costs and may also go toward gym membership fees, exercise classes, and unreimbursed expenses associated with an annual physical examination. Annual payments shall be made in lump sum proactively upon

hire and annually in January thereafter, to all employees active at time of processing. Employees will not need to submit receipts to be eligible.

At the City's discretion, employees shall be eligible for reimbursement for one preventative early detection screening provided by Longevity on an annual basis.

Article 21 – Public Safety Equipment Program

Employees covered by this agreement shall receive \$300 for work-related equipment purchases and expenses per calendar year. Annual payments shall be made in lump sum proactively upon hire and annually in January thereafter, to all employees active at time of processing. Employees will not need to submit receipts to be eligible.

Article 22 – Promotional Procedures

Promotional examinations to the ranks of Sergeant and Lieutenant shall be based on examinations and grading techniques established in advance by the City and posted with the Notice of Available Positions. An eligibility list will be established upon the results of such examination and grading techniques, which shall be compiled based upon the order of scores with the highest score at the top of the list. Each appointment shall then be made from the eligibility list from among the top three candidates on the list at the time the appointment is made.

Article 23 – City Manager's Award for Employee Achievement

Management may recommend an employee achievement program which will provide financial awards to regular full-time and regular part-time City employees.

Article 24 – Completion of Meet-and-Confer Process

Each of the parties hereto agrees that it has had a full and unrestricted right to make, advance, and discuss all matters properly within the scope of meet-and-confer in accordance with State laws and local ordinances and regulations. Except as otherwise provided herein during the term of this MOU, the parties expressly waive and relinquish the right to meet and confer

except by their mutual consent with respect to any subject or matter, whether referred to or covered by this MOU or not, even though each subject or matter may not have been within the knowledge or contemplation of either or both the City and Association at the time they met and conferred or executed this MOU, and even though subjects or matters were proposed and later withdrawn. The express provisions of this MOU constitute the only limitations upon the City's rights to determine, implement, supplement, change, modify, or discontinue in whole or in part any term or condition of employment the City deems fit and appropriate, provided, however, that the City shall comply with all federal and State laws relating to employee rights, opportunities, and benefits, except for the requirement to meet and confer with regard to such change, alterations, modifications, or exercise of the reserve powers of this MOU, which right has been expressly waived by the Association.

Article 25 – Concerted Activities

Apart from and in addition to existing legal restrictions upon and remedies for work stoppages, the Association hereby agrees that during the term of this MOU, neither it nor its members or agents, representatives or persons acting in concert with any of them, shall incite, engage or participate in any strike, walkout, slowdown, sick-out or other work stoppage of any nature against the City whatsoever, or wheresoever located, including but not limited to disputes which are related to the subject matter contained in this MOU; disputes which are specifically not subjects of this MOU; disputes between the City and other employee organizations, persons or employees; jurisdictional disputes. In the event of any strike, walkout, slowdown, sick-out or other work stoppage or threat thereof against the City, the Association and its officers will take all steps reasonably within their control to end or avert the same.

Those represented by the Association will not authorize, engage in, encourage, sanction, recognize or assist in any strike, slowdown, walkout, sick-out or other work stoppage against the City or picket in furtherance thereof, or participate in unlawful concerted interference in violation of this provision, or refuse to perform duly assigned services in violation of this provision. It is understood that any person represented by the Association found in violation of this provision will be subject to discipline, including termination, as determined by the City Personnel Officer, according to personnel rules and regulations.

Article 26 – Term

The terms and conditions of the MOU will be effective the date of City Council approval of the Agreement unless otherwise stated in the MOU. The Agreement shall remain in force and effect until June 30, 2029, and supersedes any contrary provisions in all other agreements between the parties.

IN WITNESS WHEREOF, the parties hereto have executed this Memorandum of Understanding as of the 28th day of January, 2025.

ROTATION PLAN

1. PURPOSE:

The purpose of the 1998 Rotation Plan is to provide guidelines for the orderly transition of personnel between patrol and specialty assignments and to provide career development opportunities for qualified personnel; while ensuring that department needs and priorities are achieved.

2. PERFORMANCE:

All individuals assigned to specialty positions will be expected to meet the performance standards established by department management. Those who do not meet the performance standards will be subject to reassignment, regardless of scheduled rotation term or "grandfather" status.

3. SERGEANTS:

In general, specialty assignments for Sergeants will be for a three-year term. Sergeants may be extended for one (1) additional year at the discretion of the Chief of Police. The length of any such assignment may be modified based upon departmental needs, such as multiple rotations within a unit, staffing shortages, lack of applicants, etc., as determined by the Chief of Police.

4. OFFICERS:

In general, specialty assignments for Officers will be as set out in the chart below. Officers may be extended for one (1) additional year at the discretion of the Chief of Police. The Chief of Police may, within his/her discretion, grant up to two one-year extensions for a total of two additional years in the specialty assignment. The length of any such assignment may be modified based upon department needs, such as multiple rotations within a unit, staffing shortages, lack of applicants, etc., as determined by the Chief of Police.

Office of Professional Development
Office of Professional Standards

Threat Mitigation Officer

Traffic Enforcement
Commercial Enforcement Officer
Area Traffic Officer

Other Assignments

5. EXTENSIONS:

The extension process will be as follows:

- a. To be eligible for an extension, the employee must have received a rating of "Meets Expectations/Standards" or greater on the previous two-year's reviews.
- b. At least three (3) months prior to the date the employee is scheduled to rotate out of their specialty assignment she/he must submit a memo to their immediate supervisor requesting a one-year extension.
- c. The employee's immediate supervisor, supervising Lieutenant, and Commander, will approve or deny the extension request with the consent of the Chief of Police.
- d. Denial of an employee's request for extension shall not be considered a negative factor for review purposes, nor shall the employee have any right to appeal the denial of extension.

6. NEW SPECIALTY ASSIGNMENTS:

The Chief of Police shall have the ability to create new specialty assignments. The Chief of Police shall have the ability to designate such new assignments to one of the above rotation schedules or as an "at-will" position, following the guidelines in paragraph 11.

7. RETURN TO PATROL:

Upon completion of specialty assignments, Sergeants and Officers will be required to return to patrol for two shift rotations before being assigned to another specialty

assignment. The lack of qualified applicants for a specialty assignment (as determined by management) may excuse the two shift rotations in patrol.

8. SPECIALTY ASSIGNMENT TO SPECIALTY ASSIGNMENT:

Movement from one specialty assignment to another would be allowed as part of department succession planning, however, the total length of the combined specialty assignments will not exceed the length of the original specialty assignment. *For example, a Traffic Investigator is appointed for four years and at the end of the third year is transferred to School Resource Officer. The Officer could only work as an SRO for one year, completing the original four-year rotation.*

9. NEWLY CREATED SPECIALTY ASSIGNMENTS:

Any Sergeant or Officer who is off probation may apply for a newly created specialty assignment, regardless of his/her current assignment. The employee's rotation would then be based on the rotation schedule for the new assignment, regardless of the time spent in the prior assignment.

10. SPECIALTY ASSIGNMENT SELECTION PROCESS:

Sergeants and Officers must be off probation to be eligible for a specialty assignment. The selection process for each specialty assignment will be based upon what the responsible Lieutenant and/or Commander believe is necessary to select the best possible applicant for the particular assignment.

11. CHIEF OF POLICE GUIDELINES:

The Chief of Police may designate up to three "at-will" positions from either existing or newly created specialty assignments. In addition, the Chief may designate up to four "at-will" positions when 155 sworn positions are authorized and five "at-will" positions when 160 sworn positions are authorized. One additional "at will" position will be created for every five (5) additional authorized sworn positions (e.g., 165 sworn equals 6 "at will" positions, 170 sworn equals 7, 175 sworn equals 8, etc.)

The Chief of Police should designate these assignments "at-will" at the time they are staffed and shall retain the right to convert the assignments to an appropriate rotation schedule at any time. If the Chief of Police deems that an immediate rotation is necessary, consideration will be given to the employee's needs and commitments, however departmental need will be the overriding factor.

The Chief of Police may appoint temporary specialty assignments up to one year in duration based upon departmental need.

APPLICABILITY OF THE 1998 ROTATION PLAN:

This plan is applicable to those appointed to specialty assignments after July 1, 1998. Employees appointed to assignments prior to July 1, 1998, will receive the longest of the possible assignment lengths possible under either this or the prior rotation plan.

CARDIOVASCULAR HEALTH AND WELLNESS PROGRAM

The Irvine Police Department has contracted with Hoag Executive Health to provide a Cardiovascular Health and Wellness Program. This program provides a comprehensive assessment of multiple risk factors that are associated with the development of coronary artery disease, diabetes, stroke, renal insufficiency, and other serious diseases. The program shall be overseen by a board-certified cardiologist and is intended to promote a healthy lifestyle to decrease the likelihood of developing potentially lethal or disabling illnesses. Participants will contact the provider directly to schedule appointments to have their blood drawn and subsequent medical appointment to complete additional tests and review the lab results. Exams are covered in full for IPA members ages 40 and over at the time of the exam. Exams are offered every two years over a three month period of time. The following is conducted by a physician in person at the provider's office with the exception of the lab testing, which may be performed either at a physician's office or at a certified lab facility.

The ultimate aim of this program is to promote a healthful lifestyle and to eliminate or decrease the likelihood of developing potentially lethal or disabling illness. The benefits of such a program can be measured by increased productivity, less injuries, decreased sick time, improved sense of well-being, and a reduction in the number of fatal or non-fatal myocardial infarctions. The benefits to the department and municipality can be similarly measured and the benefits translated into significant cost-savings.

Officers over the age of forty will receive the entire Wellness Program as follows:

- Comprehensive physical examination
- Body composition assessment
- Resting EKG
- Cardiac stress test
- Lab testing to include a complete blood count, comprehensive metabolic panel, and lipid profile

Officers and Sergeants under the age of 40 are eligible to participate, however need to pay for the exams out of pocket. The cost of the most screenings in 2024 were \$1,150 per person. The program is also available to IPMA and sworn Management staff. The cost of the physicals are covered in full for IPMA over age 40. Management is responsible for the entire cost.

It is understood and agreed upon that the results of the Wellness Program are strictly

confidential and are protected under the doctor-patient privilege. The Public Safety Department and the City of Irvine do not have the right to obtain the results of this program or to use this program to inquire to the fitness of the employee to perform his/her job relative to this program. Any disclosure of results of this program shall be done by the affected employee only.

All tests may be conducted while on duty or on "flex time" arranged with the appropriate scheduling Sergeant/Supervisor. If an employee is referred for additional tests, those appointments should be scheduled on their own time. In addition, the bills for the additional tests should be submitted to the employee's insurance company and will not be included as part of the City-paid benefit. In order to avoid any misunderstanding, it is the employee's responsibility to check with their doctor's office regarding coverage.

BIENNIAL SALARY SURVEY

The City's Employee Compensation Philosophy emphasizes that Irvine employees remain at the top of the labor market when compared against comparable agencies in Orange County. To achieve this objective, the City agrees to meet with the Association on a biennial basis to conduct a salary survey to identify where Irvine employee compensation sits compared against comparable agencies in Orange County.

Details related to how the salary survey shall be coordinated will be discussed, developed, and implemented in joint mutual cooperation between the City and the Association. As part of that biennial salary survey process, the City and the Association will work collaboratively in advance of the survey work to identify agreed-upon benchmark positions to survey; finalize the methodology to identify employee compensation rates that will be compared as part of the survey; and determine the appropriate Orange County agencies against which employee salaries will be compared to identify market standards. If through the review process it is identified that surveyed salaries fall outside of the City's existing Compensation Philosophy, a range adjustment shall be instituted, with details regarding implementation of that range adjustment to be collaboratively determined in partnership between the City and the Association.

To further the development of this biennial salary survey, the City and the Association shall form a Labor / Management Committee for the purpose of defining and implementing the details related to the biennial salary study and any necessary associated range adjustments. Unless mutually agreed upon by both parties, this Labor / Management Committee will begin meeting in February of 2025. This salary study will be completed by December 2025.
