**RE: One-Year Extension of the License Agreement for the Irvine Household
Hazardous Waste Collection Center**

Dear Mr. Koutroulis:

This correspondence shall serve to provide the County of Orange notice that the City is hereby rescinding the letter dated August 28, 2025, regarding the termination of our existing License Agreement for the Irvine Household Hazardous Waste Collection Center pursuant to Section 3 of the agreement.

The City agrees to extend the existing lease for up to one additional year through December 31, 2026. During this time, the County agrees to explore opportunities for a future permanent site in or adjacent to Irvine, including exploring the feasibility of relocating the facility to the Frank R. Bowerman Landfill. The County further agrees to provide the City with regular status updates on any progress in the relocation effort to ensure the transition can be completed by December 31, 2026.

The City of Irvine greatly values its partnership with OC Waste & Recycling and is committed to working collaboratively with the County to identify suitable alternative locations within the City and to ensure a smooth transition.

If you have any questions or would like to discuss further, please don't hesitate to contact me at (949) 724-6144 or lestevez@cityofirvine.org.

Sincerely,

Luis Estevez, Director of Public Works & Sustainability
